

## **International Mission Seeks New Leader**

Are you passionate about helping to make the world a better place? Do you love working with a great team of caring people? Looking to help make a difference in the world? Yearning to be more involved at Heartland? We may have a job for you. The International Mission Committee is looking for someone to fill the big travelin' sandals of Eddie Ellis as Eddie diverts his focus to other work within the church. The committee is also looking for several new members. If you are interested, please contact Eddie, Trisha Vander Wilt or Scott Valentine at the address or phone numbers given below.

The next delegation to El Salvador is scheduled for July 7-13. Plans for this trip include meeting with school leaders, key directiva and the ministry of education to discuss our options for 2009 funding, as well as daily walking, breaking of bread, prayer and sharing with our loved ones in Berlin and El Tablon.

A note for those who are planning to make donations to our El Salvador mission in the future: We have divided the fund into four different "buckets"—if there is a particular area you would like your donation to go, please indicate in the memo of your check. The areas are:

- 1. College Scholarships:** Specifically for the 5 Year Commitment to the 2 college students we are funding.
- 2. General Scholarships:** Includes high school and elementary scholarships given to El Tablon youth
- 3. School Building:** Funding set aside for the El Tablon Cerna school building
- 4. General Contributions:** non-specific funds, used where needed
