

Mission Possible

When we say international mission at Heartland, some of us immediately think “El Salvador.” But there are many more opportunities to help make the world a better place, not just through Heartland’s efforts but also through campaigns organized by our Presbytery and by the Presbyterian Church USA.

Beginning this month, the Heartland International Mission Committee will be updating you in this space about the goings-on of the mission opportunities through Heartland, the Presbytery and PCUSA.

To begin, October has been designated as a month for Presbyterian missionaries across the world to visit 144 Presbyteries nationwide. Jonna Reeder, who has served most recently in central Asia, will be visiting churches in our area. Check the What’s Happening Bulletin Board for a schedule.

The Presbyterian Church USA is challenging Presbyterians to a \$1- a -day commitment for international mission. PCUSA works with organizations in more than 90 countries. For more information, go to www.pcusa.org/mission.

The next group trip to our sister parish in El Salvador is scheduled for January 18-25. (SCOTT IS WORKING ON THIS PARAGRAPH.)
